Volume 17, Bi-Monthly Issue No. 6

December 2012/January 2013

www.TownofRush.com

Dear Residents:

Happy Holidays to all. Hopefully you are more advanced on your leaf and yard cleanup than I am. Despite my many trips to the dump, there is still much more to do. I hope you have recovered from the effects of Super Storm Sandy. **Many Thanks** to Mark David and the highway crew for their prompt and thorough efforts to clear the debris from the Town and County roads. Another **Thank You** to the Fire Department for all of their efforts with downed wires and flooded basements during the storm.

Lisa Sluberski has resigned from the Rush Town Board effective October 1, 2012. Lisa served from 2005-2012. She served as liaison to Library, Recreation, Planning, Zoning and Conservation Boards during her tenure. Lisa was an asset to the Town Board and the community at large. The Town is grateful for her years of dedicated, unbiased service. **Lisa, you will be missed.**

WELCOME

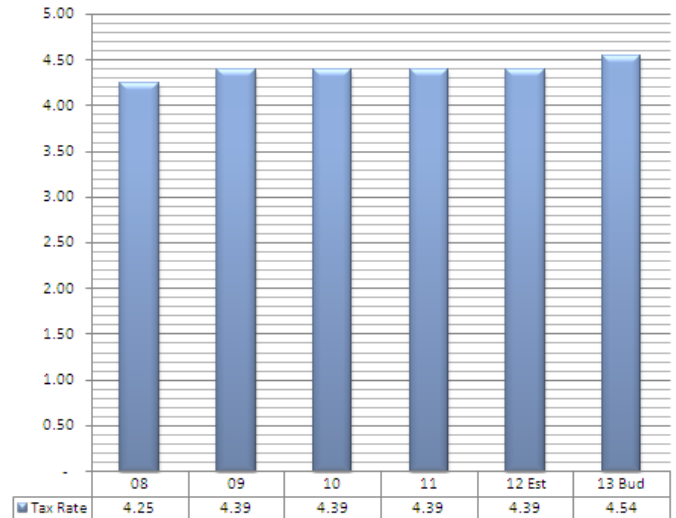

As Lisa Sluberski resigned, we advertised the open position for the balance of Lisa's elected term (12/31/2013). We had 11 applications, of which the Town Board interviewed 10. Following a process dictated by New York State Town Law, the Board resolved to appoint Cathleen M. Frank. Her selection was based on her education, professional experiences and history of public service. **Please welcome Cathleen to the Town Board.**

OPERATING BUDGET

The 2013 Operating Budget was approved at the November 14 Town Board meeting.

The Budget calls for a 2013 tax rate per \$1,000 of Taxable Assessed Valuation of \$4.54—an increase of 15 cents from the \$4.39 which has been in effect since 2009. The increase will cost the average residential taxpayer an additional \$25 per year based upon \$168,000 taxable evaluation. See the tax rate graph which follows.

Property Tax Rate per Thousand Taxable Valuation

The 2013 Taxable Assessed Valuation at \$283,536,167 is virtually unchanged from 2012. The total increase is less than 2% in the last 3 years combined. The total levy of \$1,320,625 is within the limitation set by the 2% New York Property Tax Cap.

Please find below some of the individually selected highlights from the 2013 Budget.

The cost of health insurance premiums is increasing 10.6% for 2013 making family coverage over \$15,800. The Town is not making any changes to either the benefit plan (Healthy Blue) or employee contribution (10%) for 2013. Changes will have to be considered for 2014 due to implementation of the Affordable Care Act. The Budget for healthcare totals \$206,120 – an increase of \$17,328 over 2012.

The Town contribution for New York State Retirement for 2013 will increase from 18.6% of covered payroll to 21.0%. The State Comptroller projects that the rate will increase further before declining. Participation in this system is required by NYS law. The Budget for NYS Retirement totals \$167,900. This is a total increase of \$28,800 over the \$139,100 total contribution for 2012.

Town employees will receive a 2% wage increase for 2013. Wages of elected officials will remain unchanged with the exception of Town Clerk/Tax Collector.

The Recreation Director will be available an additional 5 hours per week for 2013 reflecting the administrative effort needed to manage the maturing pavilion and fields complex behind Town Hall.

Sales Tax distributions from Monroe County have fully recovered from the decline in 2009. We expect to receive \$300,000 for 2013.

General Fund Capital outlay includes 2 parks mowers for \$19,000 and replacement of financial software and server for \$18,200.

Highway improvements include oil & stone for Keyes Rd. - \$64,972. Highway maintenance includes surface treating Wardell Rd, HF Five Pts, Stull Rd; true and leveling Stoneybrook Rd and Phelps Rd.- \$56,185.

Highway Equipment purchase is limited to \$25,000 for a pickup. An additional \$65,000 will be placed in the Highway Capital Reserve in accordance with a 10 year Capital spending plan designed to minimize the impact of major equipment purchases in any one year. Building maintenance of \$19,000 is planned for roof repair.

The Town will utilize \$140,000 of our unexpended fund balances to fund a portion of the 2013 Budget. This can be thought of as similar to using some of your savings to pay bills. Even so, the Town is projected to have an unexpended balance at the end of 2013 equal to about 32% of annual expenditures. This is considered a sound fund balance position.

See the fund balance graph which follows.

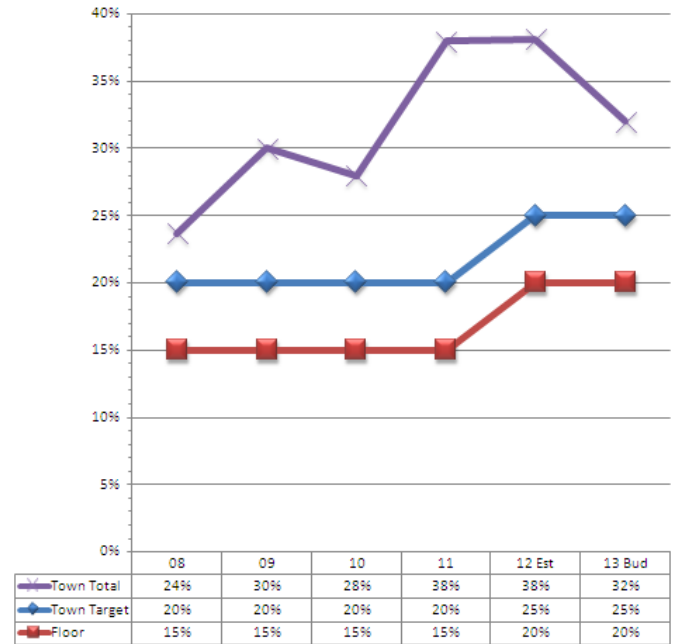

If you have any questions or concerns about Town matters, I encourage you to call me at 533-9058.

Warmest Regards,

Richard E. Anderson

TREASURE FOUND

It was just about a year ago, while going through stacks of papers that I discovered a treasure in a box. Not a treasure of wealth, but a treasure of words; an unpublished manuscript written circa 1960 by Miss Bessie Hallock, Rush's first historian.

The manuscript, titled "Here on This Hilltop" focuses on her great grandfather and other family members and contains recollections of her early life. She paints a vivid portrait of life in Rush in the late 1800's and early 1900's.

Bessie was born in Rush in 1883. She studied Elocution at Genesee Wesleyan Seminary in Lima and attended Northwestern University, where she majored in Dramatics. During her lifetime she influenced many aspects of life in Rush. She established and directed plays for the Rush Dramatic Club. She served as president of the Rush Ingleside Club for many years. (The Ingleside members were responsible for establishing the Rush Library).

Bessie was appointed as the first Rush Town Historian in 1944 and served with distinction and diligence for nearly 25 years. She authored numerous pamphlets and authored two books which were published: "Rush in the Early War Years" and "Your Folks and Mine".

When Bessie retired in 1970, Supervisor William Zimmer stated that "Miss Hallock has contributed so much to the permanent enrichment of the culture of Rush, our people will always owe her a deep debt of gratitude". Bessie was 100 when she passed away in 1983. When you mention her name to residents who knew her, invariably a smile crosses their faces and they tell you what a wonderful woman she was.

Upon finding and reading Bessie's manuscript I knew that the most important contribution I might

ever make as Rush historian was to make certain that her manuscript be published.

With the written permission of her relatives, together with the support of Supervisor Rich Anderson, the word processing skills of his secretary, Valerie Mertsoc and the proofreading skills of Karen Hopkins, her manuscript of over 200 pages was published this November exactly as she had written it.

You may purchase "Here on This Hilltop" at the Rush Town Clerk's office or the Rush Library for \$11.00. You might consider giving it as a gift for Christmas or Hanukkah.

With winter now upon us, the crew has been busy with preparations for the upcoming snow and ice season. All equipment has been serviced and installed; salt spreaders and liquid deicing controls have been calibrated and are ready for whatever weather lies ahead. Delineator stakes have been placed to mark roadside obstacles and help minimize snow plow damage. Snow fence placed along heavy drifting areas is contingent upon crop harvest and owner permission. The crew typically installs approximately 19,000 feet of fence. Late November begins 24/7 operations, phone lines, road conditions and changing weather patterns are continually monitored.

The seasonal overnight parking Ordinance §110-2 also goes into effect from November 15 to April 15 between the hours of 10:00 p.m. and 7:00 a.m. No owner or operator of a motor vehicle shall park the same unattended vehicle on any Town or County street or highway within the Town of Rush. Vehicles parked within the Town's right-of ways not only cause interference with snow removal operations but also create a hazard to those traveling on the roads within the Town.

We wish everyone a safe winter driving season. Please, slow down when road conditions deteriorate. Giving yourself some extra time to reach your destination, is the best way to insure you arrive safely.

A Monroe County Update from Legislator Karla Boyce

The Rush community is a great place to live, work and raise a family. For this reason, I feel that it is important to share with our residents' vital information regarding an issue that affects everyone in our community: the Social Host Law.

I would like to make sure that both students and parents are aware of the existence of the Social Host Law on social host liability, which can make individual students and their parents civilly liable for damages caused by minors who consume alcohol in their homes. It is also important to know that such hosts risk liability under the law, even if they are not present at the event or location where the alcohol is consumed.

As a community we need to ensure that our towns and schools remain a safe and beautiful place for our children. Awareness is one of the most important steps for prevention and it is imperative that we educate everyone on this crucial matter which has the potential to affect us all.

I want to make sure residents are informed about the Social Host Law and its consequences. Because of the significance of this issue, I recently hosted a panel discussion in conjunction with the HF-L School District on the subject.

The experts on the panel fielded questions from parents during this two hour event which resulted in parents learning about their rights and responsibilities under the Social Host Law.

The issue of underage drinking is present in most every community and awareness needs to be raised among parents and students.

If you have any questions or concerns please feel free to contact me at 753-1922 or monroe5@monroecounty.gov.

This year I am appreciative of the support of our town supervisor and town boards, town hall staff, and my own employees and volunteers who make coming to work each day a pleasure. I am especially grateful for you, our patrons; you are interesting, kind, and passionate about your books and movies and we are appreciative of your hometown library enthusiasm. I wish you all a joyful holiday season!

The Rush Seniors will finish their year with the annual Holiday Party at Wildwood Country Club. Nominations for next year's officers are complete and will be voted on at the December 13th Party.

This year we will choose a special charity for our 50/50 trip raffle profits. Cookbooks and their special added pages are available at the Rush Library and Town Hall--a great Holiday gift. The 2012 trips are now complete with November's successful Casino trip. Thanks to our outgoing officers for all the good work.

All Rush residents, age 55 or over are encouraged to join the Rush Seniors--we meet the second Thursday of each month--January will be a dish to pass lunch at the Fire Hall.

Rush Fire District Fire Department & Rush Ambulance

*Submitted by: Robert Faugh, Fire Commissioner

COMMISSIONERS ELECTION: The annual Rush Fire District Commissioners election will be held on Tuesday, December 11, 2012 from 6 to 9 PM at the main Rush Fire Station. The election is for a five year term. Steve Winner is completing his term as Commissioner and is on the ballot for 2013. Scott Goodman is also on the ballot for Commissioner for 2013. This election is open to all registered voters in Rush.

SALE OF PUMPER 585: A permissive referendum to sell our used 1995 Freightliner pumper is also on the ballot. By state law, any item worth over \$50,000 we have to get the taxpayers permission to sell or dispose of. We have been offered \$65,000 for this truck from a FD who really needs a used truck. We will be replacing this pumper in 2013. So for a few months we will only have one pumper/tanker in the Rush station and one in the West Rush station.

MUTUAL ASSISTANCE: It is getting harder and harder to come up with people to take care of our calls from 6 am to 6 pm. When we have our few firefighters out of town on an ambulance run which takes almost two hours we have almost no one left for another call, EMS or fire. In place now is a new procedure where the town is broken into box areas and our neighbors will be dispatched to the fire call at the same time we are. This is only for serious calls that 911 codes as a priority one type fire call. We do the same for them.

Check Rush FD.org home page for time and date of the Fire District annual organization meeting.

FIRE DISTRICT BUDGET HEARING: Our budget is \$329,000 for 2013. Your tax rate remains \$1.10 per thousand. We also were under the state mandated 2% cap on any tax increases an actually lowered the budget by \$11,000. Major projects included in the 2013 budget are a new boiler/water heater for station one and new apron in front of the apparatus doors at station one. The 2012 budget allowed us to install a new A/C – Heat Pump in the radio room at station one.

ANNUAL INSPECTION DINNER: It was held at the Riverton golf facility. 30 members attended. This dinner is authorized by state law for the active firefighters of the fire district. Commissioner Mike (Pee wee) Terzo coordinated the affair.

HYDRANT MARKERS: It's time to put those plastic hydrant markers back. They could save your life and property!

CAN YOU BE SEEN? It is dark along our roads – please wear some reflective clothing when jogging or walking and also carry some ID.

BLACK ICE: It is the time of year for “Black Ice” and we have many bridges and areas in town where there are several crashes every year. On days where we could have this ice problem leave early and slow down.

RUSH FIRE DEPARTMENT AND AMBULANCE SERVICE

SANDY: The Rush Fire Department got ready for the storm by making sure the Station generators and all of our portable pumps and portable generators were ready to go. Starting Monday night

at 6 pm we had a crew at station one until 6 am Tuesday morning. We responded to six calls for wires/trees burning, trees in the road and water problems from Monday night until Wednesday. Power was out at station one for 9 hours and station two for 24 hours. We also sent three firefighters, Vern Wanderseleben, Jake Vogt and Tim Lincort with a 3 firefighters from Scottsville to make up a full crew to Long Island to assist them on Thursday and Friday. We all know that it could have been a lot worse and in some areas of Monroe County it was.

ANNUAL FUND DRIVE: The annual fund drive second request went out in the end of October. We sent out over 500 letters to people who our records show did not respond in May. We realize the some give through the United Way but we have not been notified of all their names yet. We also understand that the economy is still not good for many of our residents and they have to watch every penny.

NEW FIRE PUMP: We have put in service a new portable fire pump that will move 500 gallons per minute. This will be used to pump water from a pond or swimming pool to a portable pond for the pumpers to pump from. This unit cost over \$6,000 and was covered by a NYS Grant.

NEW "JAWS OF LIFE" CUTTER: The second part of that NYS grant allowed us to purchase a new hydraulic cutter for Rescue 588. This also cost over \$6,000.

PLEASE: When you see **ANY COLOR** (amber, Blue, Red or Clear) flashing emergency lights on vehicles up ahead slow down and watch for direction from the fire police, sheriffs or troopers. **YOU MUST CHANGE TO THE LEFT LANE** if safe to do so of any highway with two or more lane in one direction and slow down when you approach any emergency vehicle with flashing lights on.

LADIES AUXILIARY

The Annual Election Dinner was a success. Thank you to all who supported the auxiliary.

Santa Claus will be at The Annual Kids Christmas party! Join us at the station on Friday December 14th at 7pm for refreshments and festive entertainment.

The Ladies would like to extend a sincere thank you to everyone who helped to make our Election Day dinner a success. We served almost 300 dinners and couldn't have done it without all the assistance of the members of the Fire Department and the Ladies Auxiliary and especially all those we accepted our invitation to dine with us that evening.

NEW MEMBERS: Please contact Joan Madigan at 229-4168 or email her at jnmadigan@aol.com, or visit our website at www.rushfd.org/ladiesaux.htm.
