

RUSH TOWN NEWS

Volume 20, Bi-Monthly Issue No. 6

December 2015/January 2016

www.TownofRush.com

Wishing everyone a very happy holiday season and a Happy New Year!

The final budget for 2016 was approved by the Town Board at the November 9th Town Board meeting. The tax rate has been reduced by 1% for 2016. Overall the 2015 expenses were lower than budgeted in the fall of 2014. Utility expense was one area that was lower than expected and also the retirement rate was reduced for the second year in a row. Additional income from the Time Warner Cable franchise audit and the cell tower contract renewal bonus were utilized for some maintenance on the town hall building instead of using budgeted contingency funds.

Thanks to Don Reynolds, our Finance Director and Budget Officer, for producing some high-level financials and pie charts for the town general fund revenues and appropriations. Please see the next two pages of this newsletter for the information.

After 16 years of service to the Town of Rush, Gerry Kusse is retiring from his position as Building Inspector/Code Enforcement Officer at the end of the year. I would like to thank Gerry for his dedication to the town and to congratulate him on his new role as a town board member where he will have the opportunity to continue to offer his experience and knowledge to benefit the town.

After serving 11 years, Judge Henry Kirch is retiring on December 31st. I appreciate his dedication to the position. Judge Kirch has consistently dealt with each individual who appeared before him in a fair and impartial manner, and made every effort to put people at ease in a situation that to some can be very stressful. Respect for the law, and for those he served are the hallmarks of his tenure, and he will be missed by those who worked with him in the administration of justice.

Shana Barber is our new Assessor's Clerk at the Town Hall. Shana resides in West Henrietta with her husband Michael, daughter Lorelei, son Ares

and their two dogs. Please stop by and meet Shana.

Please see the Town of Rush Website for the Town Board agendas and meeting minutes.

A Rush Town Board member will be available to town residents from 6:00-7:00 PM in the town board meeting room before each board meeting on the second and fourth Wednesdays of the month.

Please contact me if you have any suggestions, concerns or questions about the town. I look forward to seeing you!

I am grateful to have been invited by the Rush Seniors to attend their 50th Anniversary celebration at Wildwood Country Club on October 8th. The event was well attended and the luncheon was fabulous. We are fortunate to have an active Seniors Club in our town with so many wonderful

members. The members in the photograph below are those who are 90 years young and older.

From left to right: Hal Manning, Marcelle Barker, Jane Faugh-Faber, Betty Brandes, Walt Banker and Walt Kozimor

Have you noticed the new paint job on the historical markers in our town? I would like to thank Mark David for responding to my request to repaint the markers. Rush resident, Ed Conklin, did the paint work and generously donated the cost of one marker. Thank you, Ed! We currently have four markers in Rush. Two are New York State Department of Education markers; one is a Monroe County marker and we also have one City of Rochester marker from the Rochester sesquicentennial. The marker locations are: East River Road at the Monroe/Livingston County line; West Rush by the Fire Department; 941 Rush West Rush Road; and Rush Lima Road at the corner of Scofield Road. Please take a look when driving by these areas or view the newly painted markers online at: <http://rushhistorian.com/historical-markers-in-rush/>

New York State no longer sponsors a historical marker program but the William G. Pomeroy Foundation initiated a Historic Roadside Marker Program in Onondaga County in 2006. In 2010, the program was expanded to the counties of Cayuga, Cortland, Madison, and Oswego. Erie and Genesee Counties were added in 2011. In April 2012, the program was further expanded to include all municipalities and 501©(3) organizations as eligible grant recipients. I am planning to apply for additional markers for Rush. If you have specific suggestions for additional markers, please contact me at sue@townofrush.com or by phone at 624-7822.

I would like to extend my appreciation to Ian Bankes, Boy Scout Troop 350, for his community service work in documenting the headstones in the German Cemetery located on East Henrietta Road near Chases' Greenhouses. Ian photographed, transcribed and documented the GPS location for the headstones. Having the GPS data along with the transcriptions will be very beneficial going forward. As the headstones continue to age and become less legible, we will have documentation telling us exactly where the headstone is located within the cemetery along with the inscribed text. Thank you, Ian!

I would also like to acknowledge Kiran Rajamani. Kiran is a recent graduate of Haverford College in Pennsylvania. Kiran is volunteering with the Rush History Office and has created the display in the lobby of the Town Hall. The display is about past elections and political parties in Rush. Please stop by and take a look when you are in the Town Hall. I think you will find the political parties of the past interesting as well as who in our town's history ran for various positions. Kiran will also be helping me with recording oral history interviews so he may be contacting you to request an interview!

Part of our Memorial Day 2014 remembrances included a graveside service and headstone dedication to Civil War Veteran Lt. Jacob Stull Galentine. Dave Sluberski, West Rush Productions, generously recorded and produced a video of the ceremony. It is available on line at: <http://tinyurl.com/jsgalentine>. Thank you, Dave! An email earlier this fall has led to an interesting discovery. I was contacted by Paul Whitacre in Alexandria, VA who is researching Julia Wilbur. Julia and her Quaker family lived on Hartwell Road in the mid-1800s. Julia met abolitionist Harriet Jacobs in 1845 in Rochester at the reading room of the Rochester Ladies' Anti-Slavery Society. In October, 1862, the Rochester Ladies' Anti-Slavery Society undertook an important mission and sent Julia Wilbur, former corresponding secretary, to Alexandria, Va., to work with freedmen's education and relief programs. She and Harriet Jacobs worked closely for the next several years. Julia was a dedicated diarist and her diaries are now part of the *Quaker and Special Collections* at the Haverford College Library. Paula Whitacre and a group of volunteers have transcribed many of the diaries for the Alexandria Archaeology Museum and the Friends of Alexandria Archaeology. The

Civil War era diaries are available online at: <http://tinyurl.com/jwilbur>. The diaries contain many references to Rush and Avon, along with friends and Wilbur family members.

We are fortunate to have a presentation about James A. Hard scheduled for Wednesday evening, November 18th. James Hard was the last living Union combat veteran of the Civil War. He died in Rochester at the age of 111 in 1953. I am hopeful you will receive this newsletter prior to the 18th and that you will consider attending the presentation to learn more about the life of Hard and view some of his personal artifacts. The presentation is scheduled for 7:00 PM in the pavilion. Wishing everyone a joyous holiday season!

I am sitting here thinking about a timely newsletter article to write and my first thought is about the safe operation and performance of your solid fuel burning appliance. But then it occurred to me that this is the last newsletter article I will write after serving this community for the past sixteen years as your Building Inspector. I take many treasured memories with me as I retire and worry about the emptiness that will occur when I am no longer here to serve, advise and consult with you. It has been a tremendous and rewarding experience and I thank all of you for that.

Now, about that solid fuel appliance. Please make sure you have the appropriate number of working smoke and carbon monoxide detectors located as required in your home. Be sure your chimney has been inspected and is operating safely. Check to make sure your appliance has the proper setbacks and shielding that will make operation safe for your home and your family. Burn only well seasoned fuel. Please dispose of ashes in a safe manner that will not enable a fire to start outside the appliance. Become very familiar with the operation of your appliance and if you ever have a question do not

hesitate to call your local building official or a reputable appliance seller.

Thank you again and again!

Knitting Classes, back by popular demand.

- ***Going Around and Around*** with Trish Vanable on **Tuesday, January 5th or Thursday, January 7th from 6:30-8:00 PM.** To knit small circular projects like baby hats, toys, mittens, or socks, you can use two circular needles with any length cable. Really! In this class we'll ditch the double points and we'll also learn the Turkish Cast On. This makes a circle that is closed at the top, so there's no sewing up hat tops, finger tips, or toes! **Get the list of materials needed when you sign up.** Please register in advance, as space is very limited.

- ***Learn to Knit Socks From the Toe Up in 3 Classes:*** This method is as straight forward as it gets: there are no wraps, heel flaps, picking up stitches, or sewing up at the end. Scheduled for busy people, we'll meet to knit the toe together, then there's plenty of "time off" to knit your sock to the heel, then we'll meet to turn our heels, and again to finish up. If you are already "sock proficient", feel free to take any class stand-alone.

1. TOES: Saturday, January 23rd 10:30 – 12:30 AM. Materials needed: yarn that knits up at 6 – 7 stitches to the inch, 2 circular needles of the size that gives you that gauge (cable can be any length). **Prerequisite:** Please take the "Going Around and Around" class above, unless you are already proficient at Turkish Cast On and knitting in the round on 2 circular needles.

2. The FLEEGLE Heel: Tuesday, February 2nd, 6:30 – 8:00 PM or Saturday, February 6th, 10:30 – 12:30 AM. Learn to knit a beautiful heel with NO wrapping, no picking up stitches, no holes, no tears. Bring to class a toe-up sock that is ready for a heel.

3. Finish that toe-up sock! Saturday February 20th or Thursday February 25th. When you knit from the toe up, you need to cast off your sock in a stretchy elastic way. Bring to class a sock that is ready for finishing, and learn 2 ways to create pretty and elastic cast offs.

Library Knit Chicks: We'll continue meeting twice per month to stitch up some fun and share ideas! Join us on **Saturdays, Jan. 9th and Jan. 30th at 10:30 AM.** Coffee, tea, and craftiness are in store when you attend.

View Finders: We'll meet on **Monday, January 11th from 2:30-4:30 PM and Wednesday, January 13th from 7-9:00 PM.** Bring in a total of three photographs on a flash drive or printed to share, and receive feedback in a friendly environment. All skill levels are welcome. Coffee and dessert will be provided. Please register in advance.

Lego Club: For boys and girls ages 6-10 will resume after school on **Tuesdays, January 12th, 19th, and 26th from 3:45-4:30 PM.** Come and meet

some new Lego enthusiasts and create a masterpiece from your imagination! All Legos will be provided. Please register in advance.

Drop-In Story Time: for children ages 3-5 (accompanied by a caregiver) will resume on **Thursdays, January 14th, 21st and 28th from 11:30 AM-Noon.** Come hear new stories each week with fun themes and new friends! No registration required.

Rush Readers' Book Club: This month's selection will be ***A Constellation of Vital Phenomena*** by Anthony Marra. (It was at the top of twenty must-read lists in 2012!) "An authentic, heartbreaking tale of intertwining relationships during wartime.... As he shifts in time through the years of the two Chechen wars, Marra confidently weaves those plots together, and several more besides, giving each character a rich backstory that intersects, often years down the line, with the others." Join us on **Thursday, January 28th or Thursday, February 4th from 7-9:00 PM.** Please register in advance.

Family Finders: Our Genealogy Group will meet on **Friday, January 22nd at 6:30 PM.** Join Cathy Frank on a search for ancestors, meet new people who share your interest in genealogy, or learn about some new sources for tracking leads. Please register in advance.

Aspiring Authors: Will meet on **Wednesday, January 27th from 6:00-7:30 PM.** Whether you are a new or published author, this program is for you. Local author Jackie Battisti will show you how to find support and advice from other authors to help you motivate your muse. Please bring 5 pages, double-spaced of your craft for feedback. **Note:** This group is *very* diverse and *respect* is of the utmost importance. Please register in advance.

Thank you for your participation in our programs, and best wishes for your holidays!

Rush Senior Citizens

Submitted by: Chris Miller,
Secretary

On October 8th, we celebrated our 50th anniversary with a lunch at Wildwood Country Club. Over 80 members joined in the celebration. We started the event by honoring our members over 90 years young.

The whole group tried for a group photo (below).

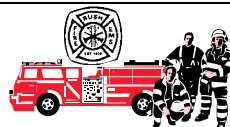

The group has really grown from its 13 members back in 1965 to 122 now in 2015. Our November meeting was back at the Firehouse. The project for this month was to bring paper products for the local food cupboard (RAFT).

TRAVEL & EVENTS

Our trip, planned for October 13th, to Cazenovia had to be cancelled because of low sign-up. Please remember that you do not have to be a club member to go on the trips. The next trip is planned for December 3rd. This trip features a visit to the New York State Country Music Hall of Fame and Opry Barn at Cortland Country Music Park. A guided tour, lunch and show are included, also a visit to "Lights on the Lake". Contact Jim or Shirley Oliver (585-533-1607) for further information. On December 10th, we will have our members only Christmas Party at Wildwood Country Club. Be sure to sign up by November 20th.

The Rush Senior Citizens meet on the second Thursday of each month at the Rush Fire Hall. We usually have a pot luck lunch. Bring your own pace setting and a dish to pass. All Rush residents (or Rush Taxpayers) age 55 or older are welcome to join.

Rush Fire District Fire Department & Rush Ambulance

Submitted by: Robert Faugh, Fire Commissioner
Phone: 533-2058, www.rushfd.org

COMMISSIONERS ELECTION: The annual Rush Fire District Commissioners election will be held on Tuesday, December 8th from 6 to 9 PM at the main Rush Fire Station. The election is for a five year term. Mike Terzo Sr. is completing his term as Commissioner and is on the ballot for 2016. This election is open to all registered voters in Rush.

FIRE DISTRICT ANNUAL ORGANIZATIONAL MEETING: Check rushfd.org home page for time and date. It will be posted on the new LED sign in front of station one also.

ACCESS: The town and state codes require every home owner have emergency equipment (fire and EMS) access to their homes. Some residents in Rush have failed to provide this. When we are aware of this we are notifying the town code enforcement officer. Our fire apparatus are big, have long wheelbases and weigh over 40,000 pounds. They are very costly to repair and have to be taken out of service for extended amounts of time to be repaired.

We take pride in the manner that the Rush firefighters keep our equipment parade ready. We don't need it all scratched and banged up.

NEW SIGN: Has been installed and the computer program is up and running. Our electrician had an accident and the 110 volt wiring will be delayed. We hope by the time you read this Larry Kaplan is back in service. He is an honorary RFD member and donates a lot of time and talent to our operation.

FIRE DISTRICT WEB SITE: It is still under construction and hopefully will be up and running soon. Rushfiredistrict.org – The Fire Department's web site is rushfd.org

FIRE DISTRICT BUDGET HEARING: Our budget is \$338,000 for 2016. Your tax rate remains \$1.12

per thousand. We also were under the state mandated 2% cap on any tax increases. All taxpayers will receive a check from the state because of this. We have to replace 10 air tanks at \$1,000 each and replace 10 sets of worn out turn out gear at \$2,300 each in 2015.

ANNUAL INSPECTION DINNER: It was held at the Riverton golf facility. thirty members attended. This dinner is authorized by state law for the active firefighters of the fire district. Commissioner Mike (Pee wee) Terzo coordinated the affair.

TRAINING EQUIPMENT: A ceiling mounted LCD projector and audio speaker system has been installed in the main meeting room at station one. A wireless mic, blueray/dvd player and lap top computer hook up has also been installed.

HYDRANT MARKERS: It's time to put those plastic hydrant markers back. They could save your life and property!

CAN YOU BE SEEN? It is dark along our roads – please wear some reflective clothing when jogging or walking and also carry some ID.

BLACK ICE: It is the time of year for “Black Ice” and we have many bridges and areas in town where there are several crashes every year. On days where we could have this ice problem leave early, wear your seat belt and slow down.

RUSH FIRE DEPARTMENT AND AMBULANCE SERVICE

ANNUAL FUND DRIVE: The annual fund drive second request went out in the first part of November. We sent out over 500 letters to people who our records show did not respond in May. We realize the some give through the United Way but we have not been notified of all their names yet.

We also understand that the economy is still not good for many of our residents and they have to watch every penny.

BOAT TRAILER: We are in the process of obtaining a trailer that can haul both boats and some water rescue equipment. Fund Drive and Carnival profit money will be used for this purchase.

FACEBOOK: The Rush Volunteer Fire Department has a Facebook page. Fire prevention, safety and health hint will be posted along with other information about what is going on at the fire

department. Become a friend on our Facebook page.
