Letter from the Supervisor, Bill Udicious

Monday - Friday, 533-9058

Dear Residents:

Summer Olympics

Former resident Jason Turner, whose family resides in Rush, has qualified in the 10 Meter Air Pistol Event for the Summer Olympics in Athens, Greece. Jason finished 5th in the 2000 Olympic Trials and won the Gold Medal at last Summer's Pan American Games. Congratulations Jason.

West Nile Virus

Monroe County Department of Public Health is again promoting precaution in avoiding exposure to biting mosquitoes during the summer months. The County has distributed to the Town Hall a limited number of pamphlets illustrating specific actions to take in safeguarding yourself and others. Mosquitoes can develop in any standing water that lasts more than 4 days. So, in order to reduce the mosquito population around your home and property, reduce or eliminate all standing water and debris that may hold water.

If you would like more information about mosquitoes, West Nile virus-related illness and insect repellent, please contact the Department of Health by calling 1-800-458-1158 or log onto the Department of Health website at www.health.state.ny.us.

Association of Towns Resolutions Continued

Resolution No. 9 – Volunteer Firefighters and EMS Recruitment RESOLVED, that the Association of Towns requests the Governor and the Legislature to establish a commission consisting of representatives of local government, emergency services, and their respective association, along with the appropriate regulation agencies to study, identify and recommend additional strategies and programs to encourage and support volunteer participation in our emergency services.

Resolution No. 10 – Speed Limits RESOLVED, that the Association of Towns urges the legislature and Governor to extend to all towns the option- through adoption of a local law – to assume responsibility and authority to set speed limits on town roads within their respective jurisdictions, within the limits as defined in §1662-a of the Vehicle & traffic Law, and so long as those roads have been

functionally classified by the department of transportation as local roads.

Resolution No. 11 Compulsory "Binding" Arbitration RESOLVED, that the Association of Towns calls for the establishment of a task force to review the issues surrounding the binding arbitration process and we further support amendments to the Civil Service Law which would require giving the ability to pay a priority in the binding arbitration process.

Resolution No. 13 Cable Franchise Fees RESOLVED, that the Association of Towns urges revision of the Real Property Tax Law such that cable franchise fees collected by cable companies and paid to municipalities are not set off as a credit against real property taxes payable to the municipality.

Resolution No. 14 Assessor Financial Disclosure RESOLVED, that the Association of Towns is opposed to state mandated annual disclosure for assessors and requests the repeal of such requirements which were enacted in response to an experience in NY City and should not have been extended to smaller units of government who often struggle to attract and retain qualified individuals to serve their public.

Sincerely,

William R. Udicious

From the Director:

Unbeknown to Joan Starkweather, the Library Board of Trustees initially discussed naming our new children's area in her honor at its first meeting after her retirement in April 2001. The time is finally at hand to turn this plan into a reality. On Saturday, September 25th at 2:15 PM the Library will formally name our new children's area in honor of Joan Starkweather, Library Director, 1981- 2001. We invite and encourage everyone in the community to join us during the Town Hall/Library Open House to celebrate this wonderful occasion honoring Joan's many years of devotion to the community through her role as Library Director.

Summer Hours

The Library's summer hours continue through Labor Day weekend. We re-open on Saturdays on September 11th.

New York is Read White and Blue!

Our Summer Reading (New York is READ, WHITE & BLUE) was a great success with over 70 children playing a game that allowed them to explore new places in New York State and read related titles. Our magic show on June 25th drew a crowd of over 90 young and young at heart participants who were entertained by Moreland the Magician. We also held a craft program on July 20th for children in grades K-5 who created patriotic sand art pictures, beaded bracelets and created one-of-a kind yo-yo's. Prize drawings were held at our End of Summer Reading Picnic for a variety of grand prizes donated by many local merchants. We are very grateful to everyone who supported our reading program. A list of sponsors will be posted in the Library in August and will appear in the September newsletter.

Upcoming Fall Programs for Children

We are looking forward to resuming the children's programming that has been on hold for the past year. Story times for toddlers and pre-schoolers will resume in early fall. We will also feature an evening bedtime story hour and resume our American Girls Club. Plans are also underway for a book club and discussion group for our Young Adult readers. We will also resume our Friday evening movie programs if there is continued interest. We hope that the availability of our new meeting room space will allow us to present additional programming for youth and adults. Look for all the details in the September newsletter.

Tote Bag Fundraiser Update

Thank you for your continued support! We have now sold 102 book bags! These attractive canvas "Rush Public Library" bags

are available for \$10 each. They would be great **beach bags** for the summer! Thank you again for your continued support.

Check It Out!

The Library has recently "refreshed" our Easy Reader Collection of children's books utilizing memorial funds that had been generously donated in memory of Betty Herting. More than 60 worn and tired titles were replaced with new copies of wonderful classics from such well-known authors as Arnold Lobel, Syd Hoff, Lillian Hoban and Peggy Parrish. Introduce your child to Amelia Bedelia, Nate the Great, and Frog and Toad! *Check it out!*

If you have paid off your mortgage during the last few months or will do so before the September school tax bill, please contact the town clerk's office. Fire Department & Rush Ambulance

FIRE DISTRICT: The annual fire district budget workshop will be held August 10th at Fire Station #1. It is our intention to keep the tax rate where it is, with a slight possibility that it might be lowered. The August commissioner's meeting will be held on August 24, 2004 at 7:00 p.m. and not on the third Tuesday - August 17th, 2004.

We have started to upgrade our radio systems. \$6,000 was authorized to be spent on new radios for the fire apparatus that need these upgrades. Portable radios are also being replaced.

FIRE DEPARTMENT & AMBULANCE:

The fire department, color guard and FD band have been winning a lot of prizes at area parades.

The new pumper 582 has won several first place prizes in truck competitions. The volunteer fire department members spend a lot of time getting these units ready for inspection. The 1991 Rescue truck won best in its class at Mendon and was up against much newer and more expensive units!

The new 2004 F-350 Ford pickup is in and will be worked on by the officers and members. This new brush/utility unit cost \$28,000 and was purchased with 2003 and 2004 fund drive money. It replaces a 1964 GMC pickup truck that has served us well.

CARNIVAL and PARADE: Our profit was the highest in the department's history. Many residents, friends and family members assisted the active, social and auxiliary members at the carnival. Rush Gravel Corp. brought in stone for the parking lot driveway that washed out due to the heavy rains. Vern Valance (Roger Tobey) took care of the septic service needs. Hickory Hill Construction (Luther Keyes) provided backhoe service. Gary Lambert (Rush Market) assisted the men and ladies. Boy Scout Troop 334 put on their famous chicken barbeque and sold out. Our neighboring fire and ambulance squads covered the town on the carnival dates from our station for any calls that came in.

Check the web site – www.rushfd.com for more information. All the Rush parade winners are

listed under parades. The Rush FD marching schedule is there also.
