Volume 11, Bi-Monthly Issue No. 4

December 2007 & January 2008

www.TownofRush.com

Dear Residents:

The 2008 Operating Budget was approved at the Town Board meeting of November 15th. The total tax rate per \$1,000 of Taxable Assessed Valuation (TAV) will be at \$4.25 per \$1,000 of TAV. The total tax rate is made up of the Operating Budget which will be \$3.75 and the Revitalization and Building Debt Service of \$0.55. Comparing 2007, the Operating Budget is increasing from \$3.68 to \$3.70 per \$1,000 of TAV while the Revitalization and Building Debt Service is decreasing from \$0.58 to \$0.55 per \$1,000 of TAV. The total TAV is increasing from \$259,362,456 in 2007 to \$265,904,069 in 2008, an increase of 2.52%.

Some of our major costs for operation such as energy, health care and retirement continue to increase. While total appropriations are proposed to be up \$279,000 in 2008 over the 2007, 70% of that increase is related to Town Park Project costs which are almost completely funded by grant revenue, planned sale of excess property and use of Recreation Reserve funds . **not funded by taxes.** We continue to look for ways to reduce our consumption of energy without sacrificing services we provide. Town employees will receive a 3% wage adjustment in 2008. For details of our 2008 operating budget, please see Pages 9, 10, and 11.

Over the past 7 years, the Operating Budget has gone from \$3.20 per \$1,000 of taxable assessed valuation in 2001 to \$3.70 in 2008. This is an increase of \$0.50 per \$1,000 of TAV which averages to \$.07 per year.

Report on Community Workshop

On November 3rd, from 9 AM until 1 PM, approximately 60 people gathered at Wildwood Country Club in Rush to participate in a community workshop. The purpose of the workshop was to solicit ideas for incorporation into the Greenway Plan.

Staff and volunteers from the Rochester Regional Community Design Center (RRCDC) conducted the workshop. (<http://www.rrcdc.org>) The participants viewed a Power Point presentation that

summarized the intended planning process and identified some general greenway and hamlet design considerations. Photographs, maps, local histories and past planning studies were available for reference. The majority of time was spent in smaller facilitator-led themed focus groups. Maps of the corridor were provided to mark-up and illustrate concepts.

The Hamlet of Rush and the Village of Honeoye Falls groups discussed ways in which facilities could be improved to make these communities on each end of the corridor more attractive destinations. Three groups were topical:

Land Use, Conservation and Water

Recreation, History and Culture

Tourism and Economic Development

Participants in these groups identified ways to increase usage and protect resources. At the end of the workshop a representative presented their groups findings and suggestions so that questions could be answered and ideas discussed. The RCDC will assemble the materials and prepare a summary report. The report will be posted on the Town of Rush website.

Thanks are due to the facilitators that donated their time, to Wildwood for their hospitality and refreshments, to The Genesee Finger Lakes regional Planning Council staff for the mapping and to staff from the Town of Rush for preparation and dissemination of workshop materials.

A follow-up meeting will be scheduled for late December. Watch the Town website for details.

Please join me in granting

Best Wishes to

Linda Henry, Town Clerk

on a well-deserved Retirement

Linda has served the town as Deputy Town Clerk and Town Clerk for the past 29 years. She has done so eloquently and has been a constant source of town information and keeper of important business. She's always greeted residents

with a pleasant demeanor, been helpful and a pleasure to know and work with.

We're proud of the work Linda has provided. She will be missed.

Congratulations and Happy Retirement!

~The Town Hall staff has planned an open invitation to all residents wishing to visit with Linda on Friday, December 14th, anytime between 10:30 AM to 4:30 PM in the common clerk's area. ~

And ... A Warm Farewell to Darlene Pilarski, Deputy Town Clerk Darlene will be continuing in her field of electrology and growing her career as an esthetician and cosmetologist. Darlene has been with the town for 5½ years as the Secretary to the Planning and Zoning Boards as well as the Deputy Town Clerk. Her administrative and organizational skills as well as a friendly disposition have served the Town well. Congratulations and Best Wishes!

My sincere wishes to all of you for a wonderful holiday and healthy and happy New Year!

Sincerely,

William R. Udicious

First, I would like to take a moment to wish everyone a happy, healthy and safe holiday season. As you celebrate this holiday season, please take extra precautions to keep your home fire safe.

Something that sometimes gets overlooked but is very important to emergency responders is to keep your driveway and sidewalks clear and unobstructed. In addition to keeping your driveway clear of snow, please make sure that tree branches do not hang over on to your driveway as they may cause damage to emergency vehicles.

It has been brought to my attention that there have been some occasions when emergency responders have experienced difficulty locating homes due to the street addresses not being properly displayed. All homes / buildings are required by town code to have a street address displayed. The numbers for the street address shall be Arabic in format with a minimum height of four inches. They shall be legible as to contrasting background, arrangement, spacing, size, and uniformity so that they may be read with ease from the street, and can not be obstructed from view. Please check your home to make sure that you are compliant with this requirement. Remember that in the event of an emergency seconds truly may mean the difference between life and death.

If you have a fire hydrant in your yard, please make sure that it is unobstructed by trees, brush, fences or yard decorations. In the winter season please be sure to clear the snow from around it.

When was the last time you changed your smoke detector battery? Hopefully you did when you changed your clock. I can't stress enough the importance of working smoke detectors. Smoke detectors should be placed on each floor of your residence and in every sleeping area and should be tested every month. Batteries should be replaced at least once a year. If your smoke detector is more than ten years old, it should be replaced. Every family should plan and practice escape routes and select a family meeting place. In the event of a fire in your home, go outdoors immediately and call 911 from a cell phone or a neighbor's phone. Never go back inside your home to attempt to retrieve property or rescue a pet.

With the holidays upon us, it is important to remember some fire safety tips. When selecting your tree, make sure it is fresh. Needles on a fresh tree should be green and hard to pull back from the branches. The trunk of the tree should feel sticky to the touch. If you bounce the trunk of the tree on the ground, the needles should not fall off. Do not place the tree close to a heat source, including heat vents and fireplaces as this will dry out the tree. Keep the tree stand filled with water. Check your lights for frayed wires, bare spots, gaps in insulation and broken or cracked sockets. Use lights that have been approved by a testing laboratory. Do not link more than three strands of lights and be sure to check them periodically. Lights and wiring should not be warm to the touch. Do not leave lights on unattended. Use only non flammable or fire

retardant decorations and keep them away from heat sources. If you use an artificial tree, make sure it is flame retardant. Personally, I discourage the use of candles, but if you choose to make sure that they are in a stable holder and placed in a location that they can not be knocked over. Absolutely never put them on a tree or leave them lit and unattended.

If I can ever be of assistance to you, please feel free to contact me by calling the Town Hall at 585.533.1312, or you can e-mail me at rick@townofrush.com.

Dear Neighbors,

As I write this we are only a few days away from Thanksgiving, and I want to let you know how grateful I feel that our community so fully supports its Library in so many ways— with funding, patronage, volunteers, and donations just to name a few. But have you ever thought about what your library means to you in a financial sense? If so, you may want to check out the [Return on Investment Calculator](#) that appears on the home page of the Monroe County Library System web site (www.libraryweb.org.) It's a great tool that lets you understand how much you get back from your library on a regular basis. It was an eye-opener for me, and I think you'll find it interesting as well.

Here's a reason to feel better about paying a 50¢ reserve fee to pick up an item at the Rush Library instead of driving all over the county for a specific book or movie— **all of the MCLS delivery trucks are utilizing biodiesel for fuel.** The Department of Energy's Renewable Energy Office says that biodiesel is a domestically produced, clean-burning, renewable fuel. Using biodiesel as a vehicle fuel increases energy security, improves public health and the environment, and provides safety benefits. **It is nontoxic and less combustible than petroleum diesel, and it can help reduce greenhouse gas emissions and dependence on foreign oil."**

Thank you to everyone who made our "Vote for Books" book sale during election week such a

success. We had many volunteers hauling and sorting books, and it was very nicely organized and a pleasure to peruse. Just a reminder that our **Book Nook** is always open during regular library hours, and it contains gift-quality used hardcover books and other items for the book collector on your holiday shopping list.

Save the date—we will be holding our 4th annual **Wine-Tasting Event, "A Vintage Year - 2008" on Saturday, February 2nd, from 7:00-9:00 PM** sponsored by the Friends of the Rush Library. This is an elegant evening of wine, hors d'œuvres, live classical music, and good cheer (ladies, get out your vintage jewelry and boas!) Back by popular demand will be the silent auction of goods and services donated by local businesses, as well as the exceptional chocolate-tasting station. Tickets for this Library fundraiser would make a wonderful holiday gift! The money raised from this event will supplement our campaign for a Reading Garden outside the Library. Advance tickets cost \$25 per person/\$45 per couple; tickets at the door will cost \$30 per person/\$50 per couple. To purchase advance tickets, please call event chairperson, Heather Iannone, at 359-9914, or stop in at the Library. More details will follow in the *Henrietta Post*, the *Genesee Valley Penny Saver*, and at the Library.

Changes to our operating hours during the holidays are as follows:

Dec. 24th - closing early at 5:00 pm
Dec. 25th . closed
Dec. 31st . closing early at 5:00 pm
Jan. 1st . closed

Thank you to all of our patrons who made this year so successful and fulfilling. It is a pleasure getting to know all of you better and to serve you. Enjoy the holidays! ~Kirsten

December:

Gingerbread House Party - Saturday, December 1st at 10:30AM. Children and adults are invited to come and make your very own Gingerbread House. We will supply the basic house parts and frosting. **Please bring one bag of candy to share with the group for decorations.** If you wish you may leave

your house in the Library and they will be judged for creativity. **One winner will be chosen in each category-Child and Adult.** For your enjoyment, holiday music and refreshments will be provided.

“Squashbook” Workshop for Adults - Thursday, December 6th from 6:30PM-8:30PM. Create your very own mini fold-out album! You will make a 5x5 square accordion-style scrapbook using cardstock and coordinated papers. Squashbooks make great gifts. A sample of this craft is on display now in the Library. There will be a \$7.00 materials fee for this class, and registration is required.

Teen Night: The Dark Side of OZ - A program for **teens** (ages 13 and up) on **Friday December 7th at 6:30PM.** We will be showing **The Wizard of OZ**, BUT, the sound will not be the voices of Dorothy and the cast, but Pink Floyd’s **“The Dark Side of the Moon”**-with lots of cool effects. Space is limited and registration is required.

Holiday Stories from Many Lands - Thursday, December 20th at 7:00PM. This is a bedtime storytime program for children of any age and parents too! Relax and take a break as you listen to stories and enjoy some hot cocoa and cookies. Please call or stop by the Library to register for this program.

Home Alone Day! E.P.I.C. Red Cross Training presents a program for children ages 8-11 on **Thursday, December 27th from Noon-2:00PM.** This program teaches children who are home alone after school the basics of safety in the home, what to do if a stranger calls or comes to the door, and basic first-aid techniques. There is a **\$15.00 fee** for this class and registration is required. *

AFTER the training session we will be showing the holiday movie **“HOME ALONE”** from **2:00PM-4:00PM** starring Macaulay Culkin, Joe Pesci and Daniel Stern. Be sure to bring your lunch with you- refrigeration is available. Popcorn and soda will be offered during the movie.

Game Mania- On **Friday, December 28th from 4:00-6:30PM.** A program for **teens.** (Ages 13 and up) We will be playing games and more games. Killer Bunnies, Fluxx, Chess and Risk 2010. If you have never played these games, they are a blast. Space is limited and registration is required.

Rush Readers’ Book Club will not meet in December, but will resume on January 24th- **Happy Holidays!**

January 2008:

Teen Night: Dance Dance Revolution - a program for **teens** (ages 13 and up) on **Friday, January 4th from 6:30-8:00PM.** Come spin, dance and play at the Library.

Snacks and soda provided. Space is limited and registration is required.

Toddler Storytime will begin on Thursdays in January-beginning **January 10th from 11:30-11:50.** This 4-week program is for children ages 2 - 3 years old who must be accompanied by an adult during the stories. This program consists of simple stories and finger-plays and an opportunity for children to participate in a group setting. This program fills quickly, so register early! Space is limited and registration is required.

Genesee Model-N-Gineers . Model Train Expo on **Saturday, January 12th from 11:00AM-1:00PM.** Children and adults of **all** ages are invited to come and view these wonderful train displays and learn from the experts about this timeless hobby. No registration required. (If you missed them last time, you won’t want to miss it again- this is a GREAT program!)

Crafts for Adults . ***Scrapbook Workshop - Thursday, January 17th, from 6:30PM-8:30PM.** Let’s start small! Preserve all of your holiday memories or special events in this 6x6 scrapbook using cardstock and coordinated papers. There is a ***\$10.00 materials fee** for this class-space is limited and registration is required.

American Girl Club resumes on Tuesdays in January, beginning **January 15th from 3:45PM-4:45PM.** In this session we will learn about **Molly** (1944). In this 3 week session our group will be putting on a play called **War on the Home Front**-about Molly and her friends during World War Two. Putting on these plays will help your child to imagine what life was like in the past, and brings history alive for them. This program is for children ages 6-10, and participants should be willing to attend all 3 sessions. Space is limited and registration is required.

Rush Readers’ Book Club- resumes on **Thursday, January 24th from 7-9:00PM.** Revisit the classic **Ethan Frome** by Edith Wharton as she draws life as it really was behind the paint-less wooden houses along the village streets in the derelict mountain villages of New England.+This is a good winter read! Copies of the book will be available at the circulation

desk. Please join us for coffee, tea, homemade dessert, and enlightening conversation. Space is limited and registration is required. New members are always welcome!

On **Thursday, January 31st at 7:00PM** we will be showing the movie version of **Ethan Frome**, starring Liam Neeson. You won't want to miss this on the big screen! Refreshments will be available.

(NOTE: You do not have to be a member of our book club to attend the screening of this movie, however space is limited and registration is required.)

Looking Forward to February- Meet Rochester Amerks players and their mascot, Moose on **Tuesday, February 5th at 7:00PM.**

COMMISSIONERS ELECTION: The annual Rush Fire District Commissioners election will be held in December 11th from 6 to 9 PM at the main Rush Fire Station. Steve Winner is completing his term as commissioner and is on the ballot for 2008. This election is open to all registered voters in Rush.

FIRE DISTRICT BUDGET HEARING: Not one person showed up for this mandated hearing in Rush. Countywide, a reported total of 16 people spread over the 29 fire districts, attended this mandated budget hearing. Another grand idea and mandate from Governor Spitzer. Our extra additional annual audit signed into law by Gov. Spitzer will cost you, the tax payer, between \$3,500 and \$5,000 next year.

NEW DISTRICT SECRETARY: The fire district had several well qualified applicants for the part-time secretary job. Karen Wandersleben of Five Points Road was selected and will replace Pamela Bucci who has done the job for several years. We will miss Pam and the great job that she did. We wish her luck in her newly elected job as Rush Town Clerk.

EQUIPMENT PURCHASES: The commissioners authorized the Fire Chief to purchase 1,300 feet of 5+ hose for pumper 583. The present 5+ hose on pumper 583 is over 20 years old and is leaking at the connections and could fail anytime. We went in with the Henrietta Fire District on a joint purchase to get a better price for both districts. This hose cost \$7.95 a foot. We saved \$4.00 a foot by doing the joint purchase. We are also buying some 2 ½+ and 1 ¾+ hose that failed the annual hose test this fall, this will cost under \$2,000.

ANNUAL INSPECTION DINNER: It was held at the Riverton golf facility. Thirty-five members attended. This dinner is authorized by state law for the active firefighters of the fire district. Commissioner Mike (PeeWee) Terzo coordinated the affair.

NEW CASCADE AIR FILLING SYSTEM: We have received a 4 bottle 6,000 PSI air pack (SCBA) filling system for station one. Our old 9 bottle 2,500 lbs. system was donated to Birdsall Fire Department.

EQUIPMENT MAINTENANCE: In November our apparatus had their annual maintenance, oil, lubes and filters. Annual pumping test were also conducted. The automatic transmissions use four cases of ATF. One large air filter for the one engine is \$100.00. The average cost for the annual maintenance per apparatus is \$1,200.00. We buy all the filters wholesale and have a 55 gal. drum of engine oil for the person doing the service. This saves the taxpayer some money. Most of the minor maintenance is conducted by the officers and members of the fire department. Even though fire apparatus are exempt, we have NYS Heavy Duty State Truck inspections conducted on our equipment in December.

It's time to put those plastic hydrant markers back. They could save your life and property!

RUSH FIRE AND AMBULANCE DEPARTMENT: PRESIDENT PFERSICK RECOGNIZED - Firefighter Lieutenant, EMT/CC and Department President Diana Pfersick was recognized by the Dunkin-Donut Community Foundation for her many years of service to the RUSH FD - Ambulance and Hospital community. Diana Pfersick's volunteer resume is quite possibly longer than her professional resume! Her daughter Lisa sent in the application for the honor.

Shortly after her family moved to Rush, NY, in 1991, Diana joined the Rush Fire Department. She quickly became very active as an EMT and External Firefighter. She earned her Critical Care certification to assist neighboring communities that had a volunteer ALS program. She has been the Ambulance Lieutenant for several years and President of the Fire Dept. for four years.

She is Vice-President of the Monroe Co. Vol. Firefighter Association and serves on the EMS Committee of the FASNY (Firefighter Association of the State of NY). She has been a nurse for over 30

years at Highland Hospital and now serves in their training department.

Diana was chosen from 1,300 nominations - She received a plaque and one-years worth of Dunkin-Donuts Coffee (worth \$750.00) at a presentation at Highland Hospital. She was surrounded by friends and co-workers. Rush Fire Commission Chairman Robert Faugh represented the Rush FD & Ambulance. Go to www.servingheroes.com for more information and the full story.

FD ACTIVITY: Our equipment responded to two mutual aid calls to the fire scene in the last month. Both were structure fires, one in Henrietta (pumper & rescue truck) and one in Honeoye Falls (pumper). We also filled in at Henrietta Co. #1 twice. We are happy to report no serious incidents or accident in the Town of Rush. As of November 22, 2007, your fire department and ambulance has responded to 348 calls for service.

UPDATING THE "JAWS OF LIFE": We are updating our Jaws of Life+ extrication systems and equipment that was bought in 1977. New pumps, jaws and cutters will be purchased. Our present equipment that can still be used will have a quick connect single hose connection installed. We can still use our present reel, hoses and ram systems. This will cost approx. \$30,000 and go on Rescue 588. The money for this comes from our annual fund drive and carnival profit. Pumper 582 has a set of jaws & cutter and is still in great shape. We have been looking and evaluating several systems over the last 6 months and have decided on Jaws of Life+.

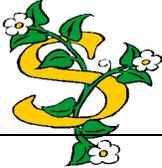

EXPLORER POST 634: We have 8 members at this time, go to the FD web site for more info . click on Explorers+. Their names and pictures will be posted soon.

LADIES AUXILIARY: ANNUAL ELECTION DAY DINNER was a success. Thank you to all who supported the auxiliary.

All **RUSH CHILDREN!!!!** SANTA is COMING to RUSH for a **Children's Christmas Party** on Friday, December 14th, 6:45 PM at the Rush Firehouse, 1971 Rush-Mendon Road. **Magician Stephen Ingraham** will

also be there to show us some amazing tricks! There will be refreshments and gifts too!

**Rush Senior Citizens**
Submitted by: Harriet Cook

Our annual Christmas Party (sorry, members only) will be held on Thursday, December 13th at the River Edge Party House. There will be entertainment following the lunch.

In December, the Seniors will be guests of the Roth Junior Honor Society for a delicious breakfast. Entertainment by the students will follow.

We will meet on January 10th at 12 noon at the Rush Fire Hall. Anyone 55 years or older is welcome to join us. Just bring a dish to pass and your own table service.

TAXES

Bills for Town and County taxes due during the month of January will be mailed on December 31, 2007. If you do not have an escrow account and therefore pay your own taxes and do not receive a tax bill by the 13th of January, please call the town clerk's office for a duplicate bill. As in years past, the first installment must be made by the 10th of February in order to use the installment payment option.

Full payments must also be made by the 10th of February in order to avoid any interest penalty. PLEASE NOTE THAT THE POST OFFICE CANCELLATION DATE ON THE ENVELOPE IS THE DATE I MUST USE TO DETERMINE IF A BILL IS TIMELY NOT THE DATE ON THE CHECK.

A number of people are using bill paying services or other forms of electronic payment. These checks DO NOT HAVE A POST OFFICE CANCELLATION DATE and if received after February 10th will be considered late with interest due. Please give sufficient time for checks to reach my office to avoid any penalties.

TOWN BOARD MEETINGS

At this time the Town Board intends to hold the last official meeting for the year 2007 on December 12th at 7:00 p.m. All residents are welcome at this and all Town Board meetings. The Organizational Meeting for 2008 will be held on Wednesday, January 2, 2008 at 7:00 p.m.

Since the Newsletter has become a bi monthly publication, it is not always possible to print legal notices for matters coming before the town boards. Remember that the two legal newspapers THE HENRIETTA POST and THE SENTINEL carry all legal notices for Town Board, Planning and Zoning Boards and those notices are always posted on the Town Clerk's bulletin board in the Town Hall. Residents are invited to call the town offices at any time to inquire what matters are being brought before those three boards. Agendas are available at least three days prior to each meeting.

SNOW AND ICE

Winter will soon be upon us with the dreaded ice and snow. Remember that the large new parking lot in the rear of the building has the easiest access to the town offices and library. Once on the lower level you may take the steps or an elevator ride will easily bring you to the library or main floors. The court offices are located on this lower level.

BOARD OF ASSESSMENT REVIEW POSITION OPENING

The Town of Rush is now accepting applications from town residents for an open position on the Assessment Board of Review. The BAR meets once a year in late May or early June to review applications from residents grieving their assessments. Interested individuals are asked to submit a letter of interest to the Rush Town Clerk by December 15th. For additional information, please call the clerk's office at 533-1312.

RUSH ZONING BOARD OF APPEALS POSITION OPENING

The Town of Rush is now accepting applications from town residents for an open position on the Rush Zoning Board of Appeals. The Zoning Board meets the second Thursday of each month at 7:00 p.m. to review applications from residents seeking relief from the restrictions of the Zoning Ordinance. Interested individuals are asked to submit a letter of interest to the Rush Town Clerk by December 15th. For additional information, please call the clerk's office at 533-1312.
