Mrs. Stephens renewed her request for a raise for Cheryl Rouleau and it was suggested that she meet with the Supervisor and Director of Finance to clarify the specifications of the position and a possible raise in step for the position. The Board requested more time to review the request for an additional person working on the after school program.

3. Code Enforcement - Mr. Kusse stated that the crops in the adjacent fields had not yet been harvested and therefore the log jam has not been removed. Work can begin as soon as the fields are cleared and the necessary equipment can be brought in without damage to any field crops.

4. Supervisor - Supervisor Udicious reported on the status of the lawsuit against the town now being tried in County Court. The names of Frank Kachala and Donald Knab have been removed from the suit and it is hoped the matter will be settled by the end of the week.

The state has been notified and sign will be installed. Contact has been made with Warren Wallace of the Mendon Foundation, the organization which maintains the trail, about the condition of the trail from the Junction to Pinnacle Roads.
