REVIEW OF APPLICATIONS:

***Request to rezone property located at 7262 West Henrietta Road by Rush Associates LLC.***

The Conservation Board commented that the drainage run off including the drainage course and the condition of the land be considered. The Board also asked the Planning Board to consider the size of the culvert that will run under NYS Route 251. The Conservation Board questioned if the water course will affect the residence to the east of the proposed project.

The Conservation Board reviewed the above said application and did not find any aspect of the proposal to have a significant impact on the environment.

***Application 2013-14Z by Bradley and Kimberly Malcolm requesting a side setback variance for a shed. The proposed location does not comply with 120-19 of the Rush Town Code. Property is located at 800 Phelps Road and zoned R-30.***
