REVIEW OF APPLICATIONS

Application 2014-05Z by John Kearney requesting a Use Variance to display an outside tire rack during business hours. The proposed outside tire rack display does not comply with 120-12 E (3) of the Rush Town Code. Property is zoned commercial.

The Conservation Board has no comment on the outside tire rack display. However, the Board's concern is the storage and disposal of old tires that are removed when new ones are sold.

BOARD BUSINESS:

There was discussion of the Conservation Board sponsored community hike on the town-owned B.O.C.E.S. property (6565 East River Road), scheduled and publicized in the town newsletter for May 3, 2014, at 10:00 AM.

With no further business, the meeting was adjourned at 8:20 PM.

Respectfully submitted,

David K. Watson
