REVIEW OF APPLICATIONS

Application 2014-07Z by Joshua and Amy Nau requesting a side setback variance for a proposed pole barn. The proposed location does not comply with section 120-19 of the Rush Town Code. Property is located at 1226 Rush-Scottsville Road in a (R-30) residential zoning district.

The Conservation Board reviewed the above said application and did not find any aspect of the proposal to have a significant impact on the environment. Board members would like to know what the buildings are on the neighbor's lot line.

BOARD BUSINESS:

The Board discussed the Dorschel proposed rezoning modified application and will submit their comments.

With no further business, the meeting was adjourned at 8:55 PM.

Respectfully submitted,

David K. Watson
