DISCUSSION

Review of Application 2010-02P by Lee Hankins acting as agent for DS builders of WNY, INC., requesting subdivision and site plan approval to subdivide a 1.5 acre parcel into 2 lots. Existing single family dwelling will remain on lot 1. A new single family dwelling is proposed for lot 2. Property is located at 7997 West Henrietta Road in an R-30 zoning district.

Comments/questions from the Conservation Board:

1. Is the driveway culvert shown the same as the existing driveway culvert?
2. Is the septic proposed for expansion? It is not labeled.

With no further business the meeting was adjourned at 7:55 pm.

Respectfully submitted,

David Watson
